ACC Cement holds summer camp for rural children

■ Chandrapur Bureau
CHANDRAPUR, May 3

THE ACC Cement and 'Amhi Amchya Arogyasathi' Organisation had jointly held two-day summer camp for children as per 'corporate social responsibility project' of the company. Students from Shengaon, Usegaon, Pandharkawda and Ghugus took part in the camp.

Sharma, Finance Manager, ACC Cement, inaugurated the camp while Vijay Khati, CSR, Chief Manager, ACC Cement, Sarita Walker, Project Co-ordinator, Jalandhar Satpute, District Programme Manager, Magic Bus, Kishor Urkude and Chaitali Khati were present as guests.

Thinking behind organising the camp was to engage students from rural areas in learning various skill other than academic studies.

With the start of summer vacation, students in urban areas take admission in various institutes to take knowledge of other subjects but due to lack of institutes, rural students have no choice but to remain at home. They lag behind in other activities. Therefore, such camps prove for them to learn new skills and gain knowledge.

Earlier, Sarita Walker delivered introductory remarks.

Satish Gujar conducted the programme and also proposed a vote of thanks.

Guest addressing the programme as others look on.
